HERITAGE DE BELLIARD SAINT ESTEPHE

Heritage de Belliard is a range of wine produced in the purest Bordeaux tradition. This wine originates from the greatest terroirs of Bordeaux. The average age of the vines is 70 years. The grape harvest is manual and this is done after a rigorous selection in the search for absolute wine perfection.

The number of bottles produced for this prestigious range amounts only to 3000 bottles per hectare. No pesticides are used in the vineyard in respect to the plant and nature. The wines from Heritage de Belliard range are of an intensity and a rare harmony of taste, this can be consumed at an early age, but can also be kept in a good wine cellar for many years.
